# HAPPI Health Collaborates with Reagan's Clinic to Ensure Continuity of Care for Patients Amid Closure

*Huntsville, AL – August 4, 2025* – HAPPI Health, a trusted provider of pediatric and family healthcare in Huntsville, is honored to announce a collaboration with Reagan's Clinic, LLC, to support their patients during the clinic's upcoming closure on September 9, 2025. This coordinated effort aims to ensure a seamless transition and uninterrupted care for families affected by the closure.

Dr. Me'lissa Young-Harkins, a seasoned pediatrician with over 30 years of experience, will be joining HAPPI Health to help lead this initiative. Dr. Young-Harkins specializes in Adolescent Medicine, Pediatrics, and Special Needs healthcare, and is committed to providing compassionate and comprehensive care to children and adolescents. She and other HAPPI providers are currently accepting new patients.

"We understand the challenges that come with transitioning healthcare providers, and we are here to make this process as smooth as possible for Reagan's Clinic families," said Michelda Johnson, CEO of HAPPI Health. "Our team is dedicated to continuing the high standard of care that Reagan's Clinic patients have come to expect."

Dr. Marc Hultquist of Reagan's Clinic expressed his gratitude for the bridge in transition: "This connection with HAPPI Health ensures that our patients will not experience any disruption in their care. I am confident that the team at HAPPI Health will provide exceptional service to our families during this transition."

The joint effort comes after a closure announcement was posted on Reagan's Clinic's website on July 23rd.
